## Anti-Money Laundering, Counter-Terrorism Financing and Sanctions Obligations

We are required to comply with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF) and Sanctions laws. As such we are required to collect and verify information from you or anyone acting on your behalf, including your related party, to comply with our obligations. In addition, we may ask for additional information that may be reasonably required for the purposes of AML/CTF and Sanctions laws. This could include the information about you, or a holder of a beneficial interest in the investment, or the source of funds used in connection with the investment.

We may be required to take necessary actions including delaying, blocking, freezing, or refusing the processing of any transaction related to your investment if we have reasonable grounds to suspect that the transaction may breach any obligation of, or cause us to commit or participate in an offence under any AML/CTF and Sanctions laws. We also reserve the right to report details of accounts or transactions to the relevant authorities where we are legally obliged to do so.

We will incur no liability to you or a related party if your transactions are delayed, blocked, frozen or refused under the above circumstances.

### Identity verification documents

Whether you are investing via a Financial Adviser or directly with MLC, you will be required to provide valid identity verification documentation. The actual documentation required will depend on whether you are an individual investor or a non-individual investor such as a superannuation fund, a trust or a company. The applicable documentation is outlined in the relevant FSC identification form(s) (refer to Section 11). **If any documentation you provide is not in English, it must be accompanied by an original copy of an English translation prepared by an accredited translator.**

If we do not receive all the required valid customer identity verification documents with your Initial Application Form or we are unable to verify your identity at any time, we may not be able to commence your investment or may not process any future withdrawal requests until we receive the required documents. We will contact you or your Financial Adviser as soon as possible if we require more information.

If you are investing through a Financial Adviser, they will be required to obtain acceptable identity verification documents from you prior to lodging your application. To do this, they will need to sight the original or certified copies of your identity verification documents and retain copies. They will then send us certified copies of your identity verification documents together with your Initial Application Form.

If you are not investing via a Financial Adviser or have not provided identity verification documents to your Financial Adviser, you will be required to send the **certified copies** of the original identity verification documents (not scanned copies) as listed in the relevant FSC identification form(s), which must be valid at the time you send them to us. Until we receive such document(s) we reserve the right to withhold processing any transaction requests you wish to make in the future.

If the Initial Application Form is signed under Power of Attorney, we will also require a certified copy of the Power of Attorney document and a specimen signature of the Attorney.

Please refer to 'Approved Certifiers' for a list of persons who can certify these documents and see 'Certified copy requirements' for details of how documents must be certified.

## Beneficial ownership and control of an entity

In accordance with Sections 3 and 11 (where applicable) MLC, as required by AML/CTF law, reserves the right to request, and verify, the identity of any persons who are deemed to own or control (directly or indirectly) for the non-individual entity. Please refer to the relevant FSC identification forms for definitions of the beneficial owner for each investor type.

For further information on this, please contact Client Services on **1300 738 355**.

### Email terms and conditions

If emails are used in operating your account, you should understand that there is potentially a greater risk that a person could fraudulently send us an email and, by pretending to be you, withdraw money from your account.

These terms and conditions apply when we (or Registry Services) receive email instructions or communications about your account. These terms are in addition to any other requirements relating to you giving us instructions or completing any particular authority. We can change these terms by giving you 14 days' written notice, except where the changes adversely impact you, in which case we'll give you 30 days' written notice.

By investing in the Fund, you agree that MLC, MLC Private Equity (MLCPE) and Registry Services are not responsible for any losses you may suffer as a result of any fraudulent communications received by email, except to the

extent those losses arise directly from their or their agents' fraud, negligence, wilful misconduct or breach of contract.

You agree to be liable and indemnify MLC, MLCPE and Registry Services for any losses suffered by any of them as a result of any fraudulent communications received by email to the extent

those losses arise from your negligence, wilful default or fraud.

MLC, MLCPE and Registry Services will only act on complete and legible communications from you. MLC, MLCPE and Registry Services will not be liable for any loss which results

from not receiving your email, except to the extent the losses or delays are caused by their or their agents' fraud, negligence, wilful misconduct or breach of contract.

### Australian tax file number

MLC is authorised under the Australian Income Tax Assessment Act 1936 to ask for your Australian tax file number (TFN) when you open an investment account for income distribution purposes. You don't have to provide your TFN and it's not an offence if you decide not to, but if you don't, 'Pay As You Go Withholding Tax' will be deducted at the highest marginal tax rate (plus Medicare Levy) from any income distributions payable to you.
