## Anti-money laundering, sanction and related laws

Anti-money laundering and other related laws require us to collect and/or verify information about the identity of customers and related parties, including anyone acting on your behalf.

The following instructions for completing the Initial Application Form will assist you in providing this information. The provision of complete and accurate information will enable us to process your application efficiently and meet our legislative obligations.

Under relevant laws, we may be required to ask you for additional identity verification documents and/or information about you or a related party, either when we are processing your application or at some stage after we issue the units. We may pass any information we collect to the relevant government authority.

We reserve the right to restrict withdrawals from your account if we have not been provided with the necessary identification information about you or a related party.

### Identity verification documents

Whether you are investing via a Financial Adviser or directly with MLC, you will be required to provide valid identity verification documentation. The actual documentation required will depend on whether you are an individual investor or a non-individual investor such as a superannuation fund, a trust or a company. The applicable documentation is outlined in the relevant FSC identification form(s) (refer to Section 10). **If any documentation you provide is not in English, it must be accompanied by an original copy of an English translation prepared by an accredited translator.**

If we do not receive all the required valid customer identity verification documents with your Initial Application Form or we are unable to verify your identity at any time, we may not be able to commence your investment or may not process any future withdrawal requests until we receive the required documents. We will contact you or your Financial Adviser as soon as possible if we require more information.

If you are investing through a Financial Adviser, they will be required to obtain acceptable identity verification documents from you prior to lodging your application. To do this, they will need to sight the original or certified copies of your identity verification documents and retain copies. They will then send us certified copies of your identity verification documents together with your Initial Application Form.

A Financial Adviser is an adviser from a Dealer group which may have a current agreement with MLC in relation to the AML/CTF Act customer identification program.

If you are not investing via a Financial Adviser or have not provided identity verification documents to your Financial Adviser, you will be required to send the **certified copies** of the original identity verification documents (not scanned copies) as listed in the relevant FSC identification form(s), which must be valid at the time you send them to us. Until we receive such document(s) we reserve the right to withhold processing any transaction requests you wish to make in the future.

If the Initial Application Form is signed under Power of Attorney, we will also require a certified copy of the Power of Attorney document and a specimen signature of the Attorney.

Please refer to 'Approved Certifiers' for a list of persons who can certify these documents and see 'Certified copy requirements' for details of how documents must be certified.

### Beneficial ownership and control of an entity

In accordance with Sections 3 and 9 (where applicable) MLC, as required by AML/CTF law, reserves the right to request, and verify, the identity of any persons who are deemed to own or control (directly or indirectly) for the non-individual entity. Please refer to the relevant FSC identification forms for definitions of the beneficial owner for each investor type.

For further information on this, please contact Client Services on **1300 738 355**.

## Email terms and conditions

If emails are used in operating your account, you should understand that there is potentially a greater risk that a person could fraudulently send us an email and, by pretending to be you, withdraw money from your account. These terms and conditions apply when we (or Registry Services) receive email instructions or communications about your account.

These terms are in addition to any other requirements relating to you giving us instructions or completing any particular authority. We can change these terms by giving you 14 days' written notice.

By investing in the Trust, you agree that MLC and Registry Services are not responsible for any losses you may suffer as a result of any fraudulent communications received by email, except to the extent those losses arise directly from their or their agents' negligence, wilful default or fraud.

You agree to be liable and indemnify MLC and Registry Services for any losses suffered by any of them as a result of any fraudulent communications received by email to the extent those losses arise from your negligence, wilful default or fraud.

MLC and Registry Services will only act on completed communications from you. MLC and Registry Services will not be liable for any loss which results from not receiving your email, or from a delay in receiving your email.

### Australian tax file number
