

Important information on the buy/sell spreads of the MLC Wholesale Funds

24 April 2020

This document is issued by MLC Investments Limited, ABN 30 002 641 661 AFSL 230705, ('MLC'), as responsible entity of the funds listed in Annexure A (each a 'Fund'). This document contains updated information for the Product Disclosure Statement ('PDS') in respect of each Fund issued in October 2019, updated 17 April 2020.

Before making a decision to invest in the Funds, you should read this document in conjunction with the relevant PDS, and in particular the section of each PDS that provides information under the heading 'Buy/sell spreads'.

Updated buy/sell spreads

With effect from 24 April 2020, the buy/sell spreads that apply for each Fund are set out in Annexure A.

Buy/sell spreads are incurred when investors apply for or redeem units in the Funds. They reflect the transaction costs associated with the purchasing and selling of assets within the Funds in order to issue units or pay redemption proceeds to investors. The application of buy/sell spreads to the Funds ensures fair attribution of costs between transacting and non-transacting investors. Buy/sell spreads are not fees paid to MLC.

Due to increased volatility in global investment markets following the uncertainty driven by COVID-19, there has been a marked increase in transaction costs across asset classes. The buy/sell spreads for the Funds are likely to vary from time to time and may increase or decrease significantly.

MLC has reviewed the buy/sell spreads applicable for the Funds and the outcome of our review is reflected in Annexure A.
